*Note that the course content applies to multiple subject areas across multiple credentials. The numerical value indicated above is the maximum amount of points that can be claimed in each subject area. The total amount of points claimed may not exceed the total amount of nursing continuing professional development (NCPD) or CME awarded from this course and may only apply to the credential you are renewing. Please also note that nurses' individual learning plans are linked to their credential's test blueprint (content outline). Current ONCC test content outlines can be found on the ONCC website.
